Turnkey Solutions for the Commercial Kitchen Industry

Our designers use cutting-edge CAD tech to bring your ideas to life, considering your budget, timeline, and preferences.

DESIGN

Our skilled engineers will install your new equipment to the highest standards, following manufacturers' guidelines.

EQUIPMENT & INSTALLATION

Our reactive maintenance service minimizes downtime for your commercial kitchen.

SUPPORT

PART OF ISM AFRICA GROUP

Who we are

Henson Kitchens specialises in the design, supply, installation, support and lifecycle maintenance of commercial Kitchen and catering equipment. We have provided commercial kitchen design solutions and commercial kitchen installation for a number of commercial establishments such as hotels, restaurants, schools and bars and remote camps.

INTRODUCTION

As the driving force behind transformative spaces, cutting-edge culinary and hospitality installations, Henson Kitchens brings a holistic approach to the East African market.

Henson Kitchens delivers exceptional turnkey solutions that redefine hospitality experiences with unparalleled craftsmanship, innovation, and attention to detail.
